25X1A 1. [] Comment. Shipments for the Twenty-Fourth Air Army in East Germany.

2. [] Comment. Supplement to [] The series of carloads dispatched in June is thus brought up to 585 tank carloads with an estimated 24,000 tons, of which about 8,500 metric tons were consigned to the Twenty-Fourth Air Army.

25X1A

25X1A 3. [] Comment. Fuel shipments for the naval pilot division.

25X1A 4. [] Comment. The outgoing 131 tank carloads with 3,962 metric tons in July indicate that, compared with June, the volume of outgoing shipments considerably decreased. It is assumed that only part of the shipments were covered.

25X1A 5. [] Comment. Fuel shipments for the large army fuel depots in East Germany.

6. [] Comment. The report exclusively contains shipments for the Soviet Armed Forces. The deliveries are about as high as in the preceding month.

25X1A 7. [] Comment. Numbers for comparison are available only for February and March. The volume of outgoing shipments in July is about as high as that in February. See []
